

# NMTC Unwinds

NMTC unwinds require attention to detail, a thorough reading of closing documents, coordination among many parties, and above all, **time**. Take the stress out of unwinds by letting High Impact sort through the intricacies to guide you and the other parties to the deal through the transaction, all for a reasonable flat fee.

A High Impact Unwind Transaction Guide lays out timing and amounts of fund transfers, parties responsible for initiating transfers, and document references for verification. In addition to preparing the Unwind Transaction Guide, High Impact will coordinate with all parties involved in

From underwriting to unwind, trust High Impact.

the unwind, from the investor to your accounting team, to be sure the transaction goes smoothly. High Impact can also provide legal document preparation through its NMTC-expert partner counsel. Trust High Impact to bring clarity, precision, and confidence to your next unwind.

**Get ahead and save:** 50% off services for unwinds more than 1 year away

If you have an unwind a year or more away, you might think it's too early to get started. It's not. Getting a head start can save you from last minute surprises and can help you allocate your time and budget with full knowledge of what to expect. We can even prepare preliminary guidance **right after a new deal closes**, securing the future of your transaction while details and intentions are still clear.
